INVITATION

Dear All,

It gives us immense pleasure to invite you all to the CME CUM WORKSHOP On "MEDSAFE"- A VIGIL ON MEDICAL DEVICES (VIRTUAL PLATFORM) organised by DEPARTMENT OF PHARMACOLOGY, Sri Ramachandra Medical College & Research Institute (SRMC & RI), Sri Ramachandra Institute of Higher Education and Research (SRIHER), Chennai, Tamilnadu, India.

SRIHER (Deemed University) is ranked among the top health sciences universities in India, had its origin as Sri Ramachandra Medical College and Research Institute which was established by Sri Ramachandra Educational and Health Trust in the year 1985. The deemed University has achieved the unique distinction of accreditation by NAAC 3rd cycle with the possible highest grade of A⁺⁺ with CGPA of 3.53 on a 4-point scale.

Materiovigilance is the co-ordinated system of identification, collection, reporting and analysis of any untoward occurrences associated with the use of medical devices & protection of patient's health by preventing its recurrence.

"Patient safety requires a team effort, where every member of the Healthcare system plays a crucial role in identifying and mitigating risks."
